Looking neat and tidy is a way that you show your consideration to others. When your hair is brushed, your clothes clean, you look presentable and nice. Not only does it make you look good, it can also make you feel more happy and confident yourself. People notice when you make an effort to look nice and keep clean.

Here are some simple things you can do to look your best:

• Brush your hair.
• Keep your hands and face clean.
• Wear clean clothes.
• Brush your teeth.

And the most noticeable way you can look your best … put on a happy SMILE!
