

WHAT CHRISTMAS MEANS TO ME

More than baubles on a tree,
More than hot spiced tea,
More than pretty gifts I see,
Is what Christmas means to me.

More than glittery flakes of snow,
More than a fire's soft golden glow,
More than carols sung sweet and low,
Is what Christmas means to me.

More than a golden day at the beach,
More than a ripe and yummy peach,
More than all the flowers I could reach,
Is what Christmas means to me.

More than bright blinking lights,
More than joyous Christmas sights,
More than warm cozy nights,
Is what Christmas means to me.

More than fun with friends around,
More than wonderful music sound,
More than a chocolate-cookie mound,
Is what Christmas means to me.

More than the brightest star's ray,
More than all I could ever say,
More than my heart feels this day,
Is Your Christmas love for me.
