

Be the Artist!

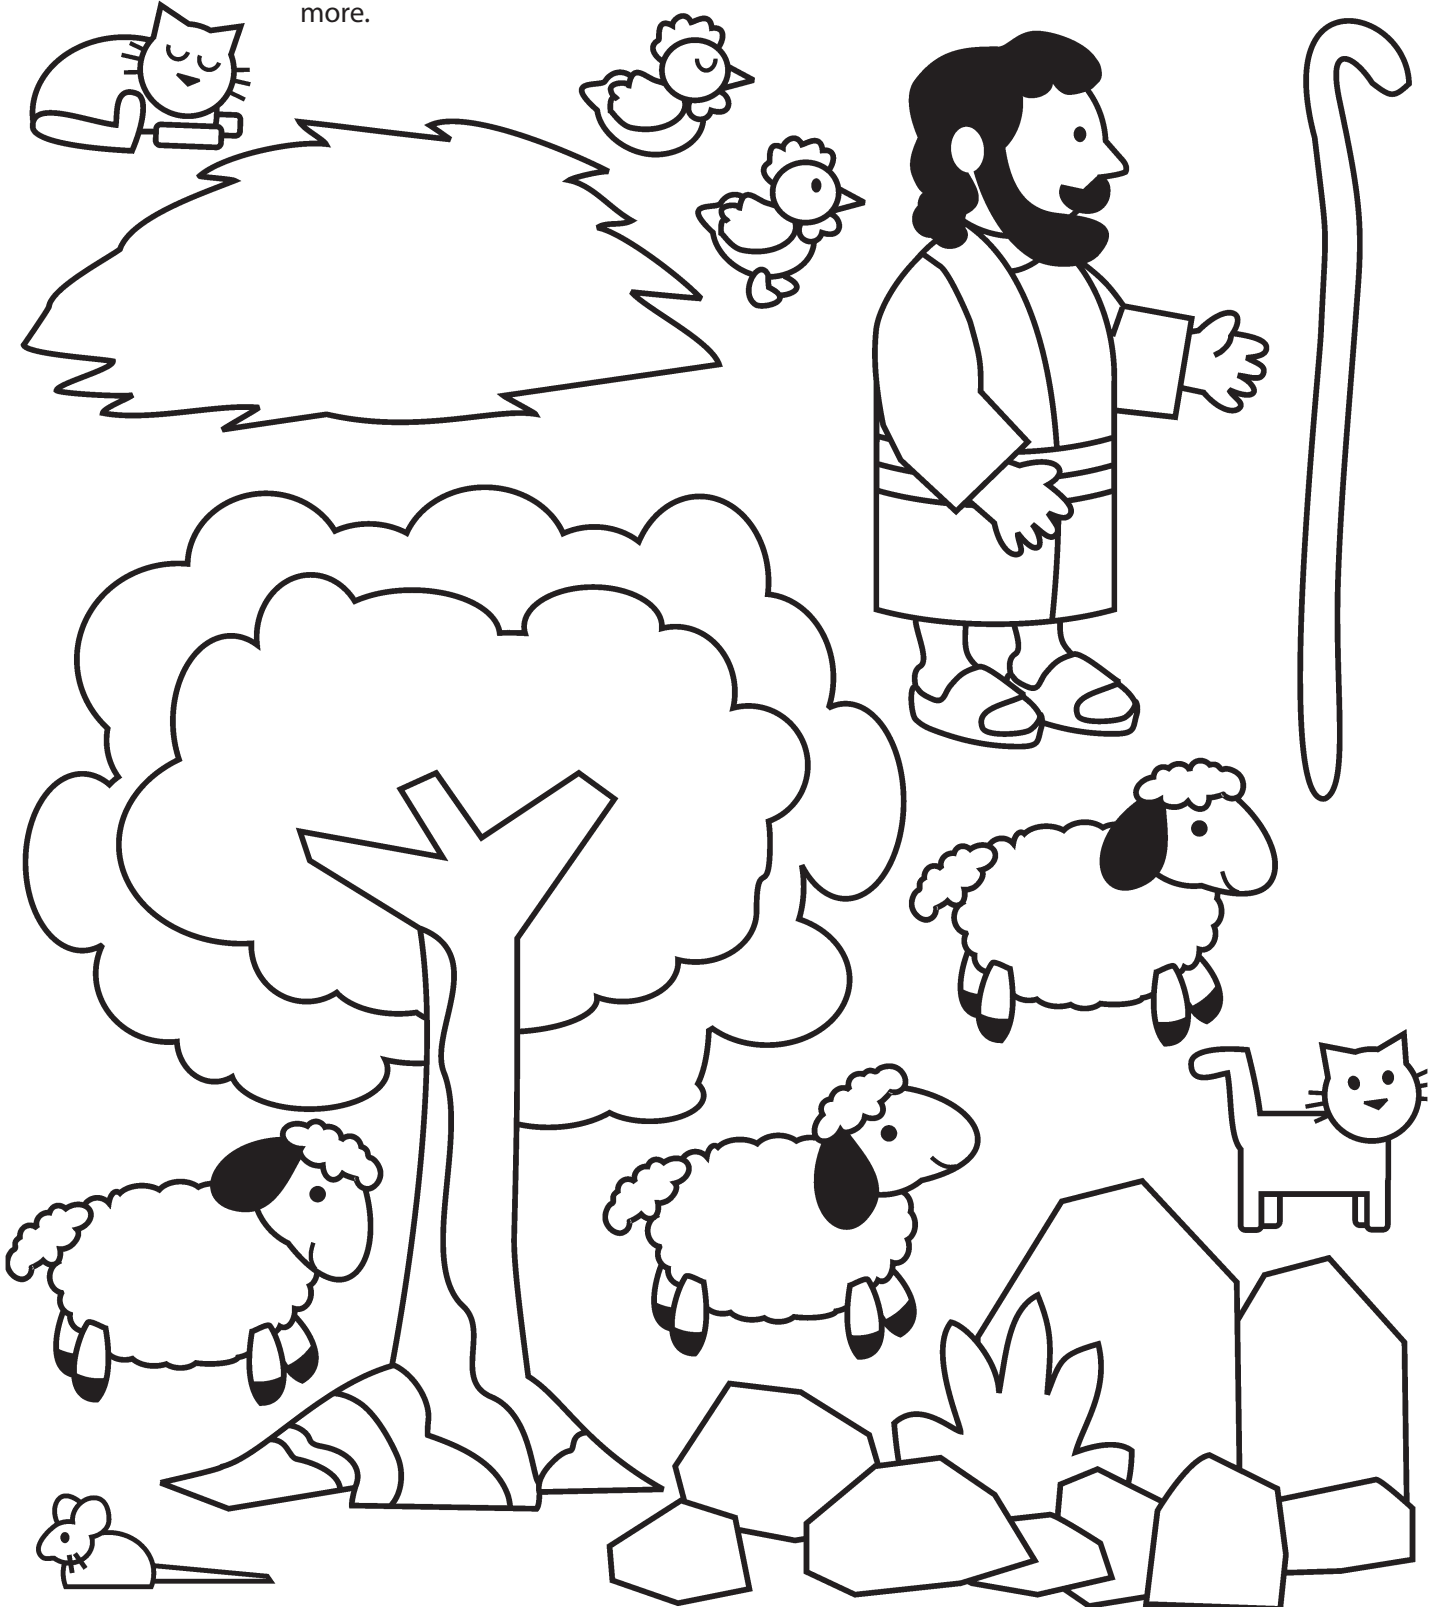

Jesus' Little Lambs

Read all about this parable in John 10:1–16 and Luke 15:4–7.

Make your own presentation of this story by copying or tracing these figures onto a paper to make different characters and a variety of scenes. You can photocopy these pages and enlarge them to make them easier to trace. Or color the figures and items and cut them out and paste them onto a paper to create your own story collage.

The options are endless for how you can “be the artist” and use these figures when drawing get-well cards, pictures for your younger brothers or sisters, posters for friends, and so much more.
